Deployment Statistics

Lasted a total of 3 days

55 Personnel activated supporting the following resources:

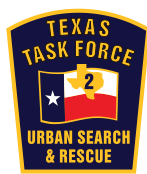

- Type 3 water Capable SAR Team

Type - **RAIN**

On May 22, 2020, the Texas Department of Emergency Management activated Texas A&M Task Force 1 water resources, along with Texas Task Force 2 as a Type 3 Water Capable Search and Rescue Team in response to heavy rainfall and an EF-1 tornado that touched down in Montague County, Texas. On May 23, 2020, both teams remained staged in North Texas, although it seemed the damage was minor.

On May 24, 2020, after no requests for service from the locals, all resources were demobilized and returned to their home stations.
