

Deployment Statistics

Lasted a total of 9 days

35 Personnel activated supporting the following resources:

- Mission Ready Package

Type – **SNOW**

On February 13, 2021, a blast of arctic weather hit the state of Texas. Temperatures dropped to record breaking lows for six days, with both snow and heavy ice accumulations across the state. On February 18, 2021, the Texas Division of Emergency Management activated Texas Task Force 2 as a Mission Ready package of 20 personnel. They were activated to help the Texas Military Department with unloading and reloading pallets onto aircraft to transport supplies across the state.

On February 21, 2021, an additional 15 personnel were deployed to assist the team. Over the next few days pallets were unloaded, reconfigured, and reloaded as the members worked tirelessly to get the supplies out.

On February 26, 2021, as the need for additional manpower subsided, all personnel were demobilized back to their home stations.
